

GET LIT WITH QUASAR

TUBES + KITS

Quasar Rainbow 2 Foot LED Tube \$30/day

Powerful and portable lights with an array of professional features. Controlled by DMX, powered by AC or off-board battery pack, and comes with a library of effects.

Quasar Q-Lion LED Kit \$75/day

This kit includes 2x2' + 2x1' battery-powered lamps with magnetic bases and an approximate run time of 4 hours on a full charge.

Quasar Crossfade LED Kit \$100/day

Endless versatility with this kit of 2x4' | 2x2' | 2x1' – from lighting actors to lighting environments, you can stack lamps into large arrays to form LED panels, light energy-efficient backings, string overhead diffusions for the perfect sky, or pair with a dimmer for maximum control.

Quasar Crossfade 4 Foot LED Tube \$20/day

These linear lamps offer a low profile for a broad lighting source capable of providing everything from traditional 3 point subject lighting to architectural accents and general area lighting.

KINO FLO + QUASAR

Kino-Quasar 2 Foot/6 Bank + 4 Foot/4 Bank Fixtures \$100/day

and

Kino-Quasar 4 Foot/6Bank Fixture \$135/day

Combine Kino Flo's lamp mounting system with Quasar's Q-LED Linear Lamps to make your on-set production both easier and brighter with these high output, dimmer-compatible LED fixtures.
