The 2nd Annual Media Resource Expo features the latest in broadcast, film, instructional media, and communication, along with manufacturers, resellers and integrators (like us!). Visit RBC at Booth 203 where you'll find an assortment of tools + technology for educators, media makers + content creators.

**At 11:30am**, join RBC Engineer, Alex Enman, for his Product Showcase, Bringing Virtual Reality to Your Next Production with the GoPro 360° Rig and learn how to capture high-resolution, 360° footage for a variety of virtual reality applications. Alex will cover camera syncing, multi-camera control, recording and the software needed to stitch together your captured content.

**From 1-3pm**, stop by the "Expert's Table" for a one-on-one consultation with Tom Talbot who will talk about Utilizing the Blackmagic ATEM Production Ecosystem to Build Your Next Studio.

Grab a flyer at our **Booth (203!)** for **20% off** your next Rental order, and while you're there, be sure to enter for chance to win a **\$250 Rental Certificate**.
