DMG Lumière SL1 + Mini Mix LED's

SL1

Stylish, bright, and versatile, the new SL1 Mix is the perfect "go-to" light for all your on-set needs.

RENT: \$195/day LESS 25%

Mini Mix

Lightweight, compact, and feature-rich, the new Mini Mix provides a bright, reliable source in a small package.

RENT: \$150/day LESS 25%

The rugged housing for both the SL1 + Mini Mix have multiple mounting points for the lights' simple-to-use controller, AC power supply, and battery plate which can be controlled remotely via wired or wireless DMX, or by using the MyMix app for your mobile phone.

Both lights are color-changing and outfitted with a library of Rosco gels for use in multiple applications, whether in the studio or on location.
