Newton, MA 02460**

RSVP: events@rule.com

Join ARRI's Guenter Noesner and Michael Best for an overview of the new ALEXA Mini LF Camera System + accessories including the ALEXA LF, ALEXA Mini LF, ARRI Signature Primes, and the latest accessories.

The new Mini LF (coming soon to rentals!) combines the compact size and low weight of the popular ALEXA Mini with the large-format ALEXA LF sensor, providing excellent image quality in large format, internal recording to new Codex Compact Drive, new MVF-2 high-contrast HD viewfinder, great system compatibility, and lots more.

Also on-hand, the ARRI Signature Prime lenses in focal lengths from 18mm to 150mm and the latest accessories including the cforce mini RF, Master Grips, OCU-1, FSND Filters, as well as the WCU-4.
